

YOUR GUIDE TO THE NEW ALL-SEASON **UNIFORM**

Pre-Nursery to Class 11

BEACONHOUSE
1975 - 2025

Since late 2023, Beaconhouse has been gradually introducing an updated school uniform—reflecting not just a refreshed look, but our continued commitment to quality, comfort, and consistency.

As ***we celebrate 50 years of our legacy***, this change reaffirms our dedication to providing students with attire that is not only more practical, but also upholds the high standards that reflect the essence of the Beaconhouse School System.

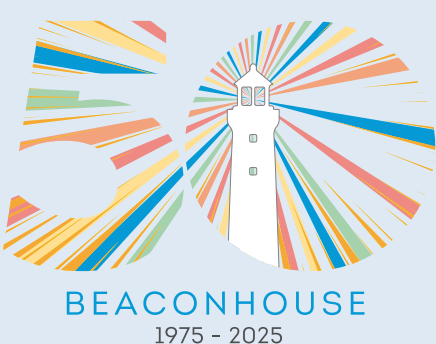

The ***new uniforms have been designed with students' well-being in mind, ensuring they are comfortable and suitable for all seasons***. With the exception of a few winter-specific items, the rest of the uniform is intended for year-round use, eliminating the need for separate purchases for different seasons.

This guide provides a complete overview of the uniform to help parents access all essential information at a glance.
